PRESIDENT'S NOTES by Juan Chavez,

phone: (910)797-5419,

email: President@cfmoaa.org

The annual fund raising golf tournament held at Baywood Golf Course on the 21st of September was a tremendous success. We were blessed with beautiful weather despite a threatening forecast, and the turnout was fantastic – 92 players. While not all the figures are in, preliminary estimates indicate that we netted about \$13,000 plus.

We owe a great debt of gratitude to Tammy Beshlin our Tournament Director for the outstanding job she did. Every aspect of the event was well planned and effectively executed. Many thanks also to all the volunteers who worked so hard to insure that everything went off seamlessly. The feedback I received was 100% positive; not an iota of criticism or complaint about anything.

Thanks also to all of you who contributed by sponsoring a hole, or a soldier, or made a donation. A list of all our sponsors and contributors follows later in this newsletter. Sadly, however, approximately 80% of our members did not contribute in any form or fashion.

Amid the frenzy of getting the word out about the golf tournament, I neglected to include a birthday greeting to our United States Air Force members in the September Infogram and I apologize for that oversight. We did, however, post a timely notice in our chapter web site, but for those of you who only receive the newsletter via hard copy, a belated 66th birthday greeting.

I want to put everyone on notice that our annual meeting is coming up on November 15, 2013. The meeting will be held in conjunction with a luncheon at The Mash House Restaurant & Brewery, Fayetteville starting at 11:30 AM. Included in the agenda is approval of the revised chapter constitution and bylaws which includes a change to

the dues structure, amends our meeting schedule, and codifies the process of appointing chapter officers between election cycles among other changes. Please plan to attend and participate in this important process.

In conclusion, and lest I repeat my blunder of last month, I want to extend birthday greetings to all our United States Navy members. The Navy celebrates its 238th birthday on October 13, 2013.

MEMBERSHIP - RECRUITING AND RETENTION

By Juan Chavez, President, phone (910) 797-5419; email President @cfmoaa.org

The MOAA National campaign, "Chapter Recruiting 2013," closed the month of August with 1150 new members recruited nationwide since the first of the year. Our recruiting efforts continue to produce gains, but at a disparaging slow pace.

RETENTION October will mark the beginning of our membership renewal campaign for 2014; individual notices will go out in the mail next month.

RECRUITING We gained three new members during the month of September. It is a pleasure to welcome the latest new members to our chapter:

Lt Col Allen Gradnigo, USAF

LTC (Ret) Frank Stump, USA

Chap (MAJ) Ronald F. Webb, USA

The monthly scoreboard of new members is as follows: January – 23; February – 6; March – 4; April – 2; May – 2; June 2; July – 2; August – 1; September – 3 for a total of 45 year-to-date.

Thanks to all of you who are out there actively recruiting, continue the good work. For those of you who have yet to recruit a new member, you need to go out and just do it. There are literally thousands of eligible members in our catchment area, many in your own social circle or neighborhood. If you need application forms, go to our web site at www.cfmoaa.org and download them, or just call me and I'll mail them to you.

ANNUAL MEMBERSHIP MEETING/LUNCHEON – 15 NOVEMBER 2013

The Chapter's annual meeting will be held at The Mash House Restaurant & Brewery on Sycamore Dairy Road, Fayetteville on 15 November 2013. Our guest speaker for the event will be Major Kent Solheim, a Special Forces officer currently assigned to the US Army Special Forces Command.

Major Solheim deployed six times in support of Operation Enduring Freedom and Operation Iraqi Freedom. He was wounded in July 2007 in Iraq when he sustained three gunshot wounds to his legs and one gunshot wound to his left shoulder. He lost his right leg as a result of his injuries.

Major Solheim will share his experiences while deployed and discuss his recovery and return to active duty. He will also talk about his foundation to benefit Gold Star Teens (www.gstadventures.org). For more on this remarkable young officer go to: <http://ourmilitaryheroes.defense.gov/profiles/solheimK.html>, <http://www.bushcenter.org/people/kent-g-solheim>, and <http://www.specialops.org/news/36937/>.

You do not want to miss this; for reservations and other details see event flyer on next page.

2013 FUND RAISING GOLF TOURNAMENT WRAP-UP

The tournament held on September 21, 2013 at Baywood Golf Course, netted over \$13,000 for the ROTC scholarship fund. We were privileged to treat 44 of our active duty service members (including 8 from the Warrior Transition Battalion) to a great day of golf and camaraderie. We owe a great deal of gratitude to our commercial sponsors for their continued loyalty and support, to the players who made the day, and to our chapter members for a commendable display of enthusiasm and generosity. REVISION OF CHAPTER CONSTITUTION AND BYLAWS

The chapter constitution and bylaws, last revised 10 years ago, underwent a complete review by the board of directors during the past two months. The recommended changes to bring them up to date with current policies and practices will be voted upon by the general membership present at the 15 November 2013 annual meeting. The recommended changes are contained in the following pages for the perusal of the general membership in advance of the annual meeting. It is requested that all voting members review the changes and be prepared to vote on them at the annual meeting.

**The Cape Fear Chapter – MOAA
Constitution and ByLaws Revision**

Article II - Purposes

Proposed: “Preamble”

Rationale: *Format change only. Should be noted that all format changes are to bring document more in line with the MOAA bylaws model.*

Article IV - Membership and Voting Rights

Section 2b. Associate Members.

Proposed: Omitted

Rationale: *Current MOAA policy limits membership to three classes, regular, auxiliary and honorary.*

Section 2d. Honorary Members. (Current):

“(1) Those officials as determined by the Executive Committee such as the Post Commander, Fort Bragg, North Carolina, the Base Commander, Pope Air Force Base, North Carolina, and the mayors of Fayetteville, Spring Lake and Hope Mills, North Carolina.”

Proposed:

“Section 4. Honorary membership shall be composed of individuals who have demonstrated significant support of the purposes of the Chapter and the Military Officers Association of America and are not otherwise eligible for membership.”

Rationale: *Examples are dated, suggestive and unnecessary.*

Section 2e. Discrimination. (Current)

“No person because of race, color creed, sex, age, disability, or national origin will be unlawfully denied membership, be excluded from participation, or otherwise subjected to unlawful discrimination providing they otherwise meet the criteria for membership.”

Proposed: Omitted

Rationale: *Redundant and superfluous. Eligibility criteria is based solely on military service as a commissioned or warrant officer – active duty, retired, former or reserve components; such commissions tendered with constitutional protections against discrimination of any sort.*

Section 5. (Current)

“Regular and [associate] members are *encouraged* to hold and maintain membership in the Military Officers Association of America.”

Proposed:

“Regular members are *expected* to hold and maintain membership in the Military Officers Association of America. Auxiliary members holding Chapter offices are likewise expected to hold and maintain membership in the Military Officers Association of America. All auxiliary members are encouraged to hold and maintain such membership.”

Rationale: *Associate membership was discontinued. The change of the verb “encouraged” to “expected” is a compromise to the verb “required” which is the stricter policy preferred by the Military*

Officers Association of America. Adopting the stricter policy would prove detrimental to the membership status of the chapter at this time.

Article VI – Dues

Section 1. (Current)

“Annual dues for members are established by the Executive Committee and are announced. Any required changes for the coming year will be determined prior to June 1.”

Proposed:

“The annual dues for each member for the next calendar year shall be determined by the membership at the annual meeting in November after receiving the board of directors’ recommendation in the matter, with the stipulation that dues for auxiliary members will be at half the rate of regular members.”

Rationale: *The setting of the dues structure for the chapter should be determined by the general membership based on the recommendations of the board of directors; and, that determination should be made at the November annual meeting.*

Section 6. (Current)

“Auxiliary members are not required to pay dues.”

Proposed: Omitted

Rationale: *It is recommended that auxiliary members be assessed annual dues but at half the rate of regular members to justify their right to vote, hold elective office and avail themselves of all privileges of regular membership. Moreover, it provides an administrative mechanism to track and account for their status and helps defray expenses of newsletter printing, postage, and other costs.*

Article VI – Meetings (Current)

“Section 1. Chapter business meetings or functions that may be sponsored by the Cape Fear Chapter MOAA Ladies Club will be held each month during the months of September through May. The annual Chapter meeting in November will include election of officers. The President can call special meetings with the concurrence of the Executive Committee.

Section 2. The rules in the current Robert’s Rules of Order will govern the organization in all cases to which they are applicable and in which they are not inconsistent with these bylaws and any special rules of order the organization may adopt. Fifteen members at any meeting indicated in Section 1 above will constitute a quorum.”

Proposed:

“Article VII – Chapter Meetings

Section 1. There shall be an annual meeting of the Chapter during the month of November to determine the annual dues for the next calendar year, to put forward a slate of candidates (on election years) to fill the positions of directors, and the transaction of other business. Notice of the meeting shall be mailed or emailed to each member at least 20 days in advance and posted to the Chapter’s web site.

Section 2. Regular meetings of the Chapter shall be held in January, March, May, July, September, and November, unless otherwise decided by the board of directors. Notice of each meeting shall be mailed or emailed to each member at least 20 days in advance and posted to the Chapter’s web site.”

Rationale: *To reduce the number and frequency of meetings to improve quality and attendance. Reference to the MOAA Ladies Club and its activities in this document is inappropriate in that it is a separate entity governed by its own bylaws and not structurally or legally linked to the chapter.*

Article VII – “Executive Committee”

Proposed: “Board of Directors.”

Rationale: *To standardize the designation in accordance with Military Officers Association of America guidelines.*

Section 1. (Current)

“The Executive Committee will be composed of the elected officers (president, first, second and third vice-presidents, secretary and treasurer) each of whom is entitled to one vote. The immediate past president, a non-voting member, will act in an advisory capacity. The president of the Cape Fear Chapter of MOAA Ladies Club will be an ex-officio member and provide liaison on matters involving the Chapter and the Ladies Club. Proxy voting will not be permitted.”

Proposed:

“Section 1. The board of directors shall be composed of the elected officers: president, first vice president, second vice president, third vice president, secretary and treasurer. The immediate past president may serve as an advisor for a period not to exceed 1 year. The appointed positions of newsletter editor, auxiliary liaison, personal affairs officers, TOPS, chaplain, and legal advisor, plus other positions as determined necessary by the board of directors will likewise serve on the board as special staff at the pleasure of the president. The President of the Ladies Club of the Cape Fear Chapter of MOAA organization may be invited to sit as an ex officio member without vote to provide liaison on matters of mutual interest.

Section 2. The officers shall be elected biennially by the membership as outlined in ARTICLE IX, Section 10. Each elected officers shall take office at the first regular or special meeting in the calendar year following election and shall serve for a term of two years. The president may appoint individuals to fill the unexpired term of an elected officer or a vacant position as necessary until the next scheduled election. Such appointments will be approved by a majority vote of the board of directors.”

Rationale: *To codify current structure of the board and current practice of appointing members to fill elective positions between elections; to specify a discretionary period of service for the immediate past president.*

Article VIII – Officers

Section 1. (Current)

“The elected officers will be a president, first, second, and third vice presidents, a secretary and a treasurer, each of whom will be a regular members of the organization.”

Proposed:

“The elected officers shall be a president, a first vice president, a second vice president, a third vice president, a secretary and a treasurer, each of whom shall be a regular or auxiliary member of the Chapter.”

Rationale: *Auxiliary members are also authorized to hold elective positions.*

Section 2. (Current)

“The president will appoint an officer nominating committee chairman. The appointed chairman will select two additional committee members so that the committee is representative of Chapter membership.”

Section 3. (Current)

“The recommended slate of officers will be announced at the October meeting. Additional nominations may be called from the floor at the annual general meeting in November and a majority of the votes cast will elect. Each elected officer will be installed and take office at the following January meeting and serve for a two-year period.”

Proposed: Article X - Committees

“Section 3. At least 60 days before the annual meeting on election years, the board of directors shall appoint a nominating committee of five members, not currently holding elective or appointive office, to nominate candidates for the elective offices. The committee shall notify the secretary in writing, at least 30 days before the annual meeting, of its proposed slate of officers and directors for the next calendar year, and the secretary shall list in the Chapter’s newsletter and web site the nominated candidates for the elected offices, or mail or email a copy thereof to each regular and auxiliary member at least 20 days before the annual meeting.”

Rationale: *To specify that members of the nominating committee shall not be holding elective or appointive offices; to prescribe the time- line based on new bi-monthly meeting schedule, and notification processes using new informational technologies. Moreover, this provision should be more appropriately included in Article X – Committees.*

Article IX – Committees and other appointments

Section 2. (Current)

“The committees identified below may be constituted:

Membership Committee
Personal Affairs Committee
Civic & Military Affairs Committee
Programs Committee
Publicity Committee

Legislative Committee
Budget Committee
Bylaws Committee
ROTC & Scholarship Committee

Proposed:

“Section 2. The standing committees of the Chapter shall include: membership, programs, ROTC and scholarships, personal affairs, legislative, and budget.”

Rationale: *To eliminate ambiguity and superfluosness.*

Section 3. (Current)

“Should the Executive Committee determine that the day-to-day requirements of administering the organization justify as executive secretary, and funds are sufficient for appropriate compensation, a paid position may be established if approved by the Executive Committee.

Proposed. Omitted

Rationale: *In conflict with Article III, Section 2.*

Section 4. (Current)

“At his discretion the secretary may nominate one or more organization members to serve as assistant secretary (ies). Nominations are subject to the approval of the Executive Committee.”

Proposed: Omitted

Rationale: *Provision included in Article IX, Section 8.*

CHAPLAIN'S CORNER

A fond farewell is extended to Chaplain (LTC) Ron Leininger who resigned as Chapter Chaplain because of a permanent change of station (PCS). Chaplain Leininger served as our chaplain from January 2012 to September 2013. A formal letter and a MOAA Certificate of Appreciation were presented to Chaplain Leininger as a token of our appreciation for his service. We wish him and his wife Alisa, God speed.

UNITED STATES NAVY (USN) CELEBRATES 238TH BIRTHDAY

The United States Navy (USN) is the naval warfare service branch of the United States Armed Forces. The US Navy recognizes 13 October 1775 as the date of its official establishment – the date of the passage of the resolution of the Continental Congress at Philadelphia, Pennsylvania that created the Continental Navy. On this day, Congress authorized the purchase of two vessels to be armed for a cruise against British merchant ships. It played a major role in the American Civil War by blockading the Confederacy and seizing control of its rivers. It played the central role in the World War II defeat of Japan. Today, the United States is the world's undisputed naval superpower.

MOAA LADIES NOTES by Nancy Garman, President, phone: (910) 485-7648

The fall days are beautiful. I hope all of you are enjoying them. The fund raiser, our program for the September luncheon, was most enjoyable and profitable. A big Thank You to fund raiser chair, Catherine Earle, and to everyone who helped to make it a success. Also we thank Claire Mountel and Maria Cory for the table decorations.

I have been asked where the money is spent. We donate to The Highlands Chapter of the American Red Cross, the Fort Bragg Fisher house, the Ft Bragg USO, the Chaplain's Soldier's and Family Fund, Pope Airman's Center, and the CFC MOAA golf tournament (which provides funds for their scholarships). Some of our expenses include the cost of publishing the membership directory, a contribution to CFC MOAA to place information into the Infogram, memorials to our departed loved ones, a stipend to guest speakers, decorations for our luncheons, and when necessary, to help defray the cost of our Champagne Brunch and Christmas Gala, and for incidental expenses of the board. No one on the board is paid anything for their services!

Our next general membership meeting is the Champagne Brunch. It will be on the 24th of October in the Hodge Room of the Fort Bragg Club. All of CFC MOAA and also the Sandhills Chapter of MOAA Women's Club have been invited. Social time starts at 10:00 A M and brunch will be served at 10:45. The cost will be our regular charge of \$15.00 per person which can be paid at the door. Reservations are required and must be in by the 17th of October with cancelations accepted up to the 22nd. The Stars and Stripes Singers will provide the program. We encourage ALL of you to come, bring a friend, and enjoy!

The Dining Out group will meet at The Oyster Bar and Grill on the 22nd of October. This will be their last meeting in 2013. Please call Nadine Ecklund (893-6394) for more information and to make reservations.

We meet a week earlier than our usual meeting on the fourth Thursday because of Thanksgiving. Make plans to come. The menu chair has planned a special meal for the occasion.

December is not that far away so be making big plans to attend the Christmas Gala. It will be at Gates Four Golf and Country Club on the 13th of December. The N C Revelers, an 18 piece orchestra with two vocalists, will provide the music. Contact chair, Annette Smith, for further information and to make reservations.

Have a great October!
