We are so blessed to have you as a partner and donor while we work alongside local families who are committed to achieving decent and safe affordable housing through homeownership. Your monetary donation in October 2024 makes it possible to help hard-working people build a better life for themselves and their families. Your support of our mission totaled \$3,000 for the Veterans Build 2024. Our October and November Blog on our website fayettevillenchabitat.org highlights MOAA. Our work is possible because of your thoughtful contribution.

Since our organization began in 1988, our mission has been to put God's love into action by bringing people together to build homes, communities, and hope. We do this through our three programs: Homeownership, Critical Home Repairs, and Veteran Repairs. With help from you and other donors, FAHFH has made homeownership a reality for many families.

Thank you for your support and commitment to improving lives in our community. We pray this letter finds you in good health and even better spirits. God Bless You!

Sincerely,
