June 10, 2014

Dear Juan,

Please thank our M.O.A.A. (Fort Bragg Chapter) membership for their strong support of Cape Fear's Navy JROTC unit this year. We have truly been blessed with your financial support!

Cape Fear High School's Navy JROTC unit had an extremely successful 2013-2014 school year with the unit being led by Cadet Commander Kerstie Sabo. Cadet Sabo was the chapter's JROTC award recipient last year and led the unit with great success. Summer leadership training, a visit to the National Mall in Washington, DC and numerous hours of training resulted in the unit winning 1st place in every fall competition. Members of her academic team placed in the top 6 percent of over 8,000 students tested during the Navy's National academic postal examination. The cadets also competed in the 2014 NJROTC National Academic, Athletic and Drill Championships in April placing 9th overall, 5th place overall in the drill competition and captured 2nd place trophies in 2 of 5 drill events.

Cape Fear's new cadet commanding officer is Cadet Lieutenant Commander Victoria Stanton. Cadet Stanton was the May 2014 recipient of the Ft Bragg chapter's JROTC award. Cadet Stanton is now beginning to lead and prepare the newest team of cadets for the upcoming year and will kick start training at Norfolk Naval Base from 10-17 August 2014. The Ft Bragg Chapter's \$750 contribution is greatly appreciated and will be used to defray the overall cost of transportation. I am pleased and felt it was very appropriate that Cadet Lieutenant Commander Stanton accepted the chapter's financial support today.

The Fort Bragg Chapter of the Military Officer Association of America is a strong supporter of Cape Fear NJROTC and we are proud to have you on our team. Your support is helping two military retirees instill, in high school students, the values of citizenship, service to the United States, personal responsibility, and ultimately, a sense of accomplishment.

Thanks again for the chapter's support in making it all possible!
